Spring Commencement Exercises

Two Thousand and Fourteen

WELCOME TO OUR GUESTS

We welcome you to the commencement ceremony at the University of Louisiana at Monroe. Commencement is the solemn yet joyful culmination and recognition of the graduates' years of study. It is an important and meaningful occasion for the University and its faculty, staff, and students.

In keeping with the solemnity of this time-honored tradition, all guests and participants are asked to avoid unnecessary conversation and moving about during the exercises. We also request that all in attendance refrain from making any noise other than that of applause as the graduates receive their degrees.

To further enhance the decorum of the event, guests are DVNHG QRW WR HQWHU WKH ÁRRU DUH taking pictures during the ceremony. Following the awarding of degrees, the audience is asked to remain seated until the graduates, who follow the administration and faculty, begin to exit.

Again, welcome to our campus and to this most momentous and memorable occasion.

Although every effort is made to ensure that this program is accurate with respect to degrees awarded and honors conferred, ULM's printing schedule makes complete accuracy impossible. Therefore, neither a name listed herein nor participation in the commencement ceremony guarantees the awarding of a

**EXPLANATION OF DEGREES AND DIPLOMAS
AWARDED AND ACADEMIC COLORS**

The University of Louisiana at Monroe awards the associate, bachelor's, master's, specialist, and doctoral degrees. Diplomas indicate only the degree designations as listed in this program except in the case of a double degree. An asterisk (*), unless otherwise noted, indicates the student is receiving multiple degrees.

The colors represented in the academic regalia worn by the faculty and candidates are of special interest to those attending the commencement exercises. The standard followed is that of the Intercollegiate Code of Academic Costume, as revised by the American Council on Education in 1986. The interior colors of the hood, as seen from the back, symbolize the colors of the wearer's alma mater. The colors shown in the trim of the academic apparel, including the trimmings of doctors' gowns, edgings of hoods, and tassels of the caps, signify the subject area of the wearer, as shown below:
